

READING LEADERS

Educator Guide Welcome to the New York Islanders Reading Leaders

The New York Islanders Reading Leaders program motivates youth to read daily and helps make reading fun.

NO PURCHASE IS NECESSARY TO ENTER OR WIN. A PURCHASE WILL NOT INCREASE YOUR CHANCES OF WINNING.

1. You as the teacher must register using the online registration. Just click the "Sign Up" button and follow the instructions to get started.
2. After you register, you will receive an email to "activate" your account. Click on the "Activate Now" button and your account will be activated.
3. Once activated, you can use your newly created username and password to log into your dashboard.
4. In your dashboard, you can register your students 2 different ways:
 - a. Click on the "Add a child" button and fill in the required information to register each student individually.
 - b. Click on the link at the top of the dashboard for "Upload Spreadsheet" to register your entire classroom. To complete this: click to download Spreadsheet Template file, complete the file by listing all of your students (Note: You will need to assign a username and password for each student, include the student's birthdate and their parent/legal guardian's email), once you complete the spreadsheet, save it on your desktop, click on "choose file", select the file and click on "submit". You will be registering all of your students with this process. An automatic email will be sent to the parent/guardian email address provided with that student's Username and Password.
5. Give each of your students their username and password so they can log in and add to their reading log every day. Alternatively, you can add to your student's logs each day from your dashboard if your students need a little help.
6. From the dashboard, you or your student can open their log and click on "Start a reading log". Then, you or your student (or together) will enter:
 - a. The name of the book
 - b. The number of minutes they read
 - c. An answer to one of three questions about the bookThen, click "save" to save the information into their log.
7. Be sure to record the reading daily. On the last day of each month (April - August), the logs will be automatically entered into a sweepstakes for a New York Islanders goody bag if the student has logged at least 400 minutes of reading that month. If they have read 800 minutes or more they will be eligible for a chance to win prize that includes an autographed New York Islanders item!
8. At the beginning of each month your students' reading logs will be refreshed and ready to start a new month! Alternatively, you can download this mail-in entry form for your students to be entered into the sweepstakes.
9. We have provided a letter (page 2, here) to send home introducing the program to your students' parents/guardians.
